## **Child Immunization History**

G.S. 130A-155. Submission of certificate to child care facility/G.S.130A-154. Certificate of immunization.

The parent/guardian must submit a certificate of immunization on child's first day of attendance or within 30 calendar days from the first day of attendance.

\*Required by state law for children born on or after 7/1/2015.

\*\*3 shots of PedvaxHIB are equivalent to 4 Hib doses. 4 doses are required if a child receives more than one brand of Hib shots.

\*\*\*PPSV23 or Pneumovax is a different vaccine than Prevnar 13 and may be seen in high risk children over age 2. These children would also have received Prevnar 13.

Note: Children beyond their  $5^{th}$  birthday are not required to receive Hib or PCV vaccines.

Gray shaded boxes above indicate that the child should not have received any more doses of that vaccine.
